

FragmentActivity

OnMapReadyCallback

AndroidApp.MapsActivity

```
classDiagram
    class FragmentActivity
    class OnMapReadyCallback
    class AndroidApp_MapsActivity["AndroidApp.MapsActivity"]
    AndroidApp_MapsActivity --|> FragmentActivity
    AndroidApp_MapsActivity --|> OnMapReadyCallback
```

The diagram illustrates the relationship between three classes. At the top, there are two boxes: 'FragmentActivity' on the left and 'OnMapReadyCallback' on the right. Below them, centered, is a box labeled 'AndroidApp.MapsActivity'. A horizontal line with upward-pointing arrows at both ends connects the bottom of the 'FragmentActivity' box to the bottom of the 'OnMapReadyCallback' box. A vertical line descends from the center of this horizontal line to the top of the 'AndroidApp.MapsActivity' box, indicating that 'AndroidApp.MapsActivity' implements both 'FragmentActivity' and 'OnMapReadyCallback'.
